THE VISION

ONESOUND REVIVAL TV

OneSound Revival TV is a non-denominational Fellowship made up of believers across denominational lines who hold the conviction of the manifestation of the Last Day Glory by a united Body of Christ, paraphrased as 'One Sound', seen in 2Chronicles 5:13-14

It came even to pass, as the trumpeters and singers were as one, to make ONE SOUND to be

heard in praising and thanking the Lord; and when they lifted up their voice with the trumpets and cymbals and instruments of music, and praised the Lord, saying, For He is good; for his mercy endureth for ever; that then the house was filled with a cloud, even the house of the Lord; So that the priests could not stand to minister by reason of the cloud; for the glory of the Lord had filled the house of God). That the Glory will be made manifest as we make one sound to the Lord.

Consecration And Revival

Therefore come out from them and be separate, says the Lord. Touch no unclean thing, and I will receive you" (2 Corinthians 6:17).

God will not come to a mixed multitude, He will not come to the "World", He wants to come to His house, His people, and He has to come first through you and i individually. Thus, the need for everyone to do their part and be separated unto Him. In previous editions, we emphasized the need for separation in physical things which is very important but in this edition, we want to focus on the consecration and the separation of the mind. The bible tells us that it is what comes out of a man that defiles the man, and what comes out is affected by what goes in.

You can only produce from what you have ingested. This is why it is important to daily separate yourself in your mind unto God, daily watch your thoughts; What are you thinking in the morning, noon and night. What are the things informing your thoughts?

You daily speak to your mind, filter your mind, remove and replace thoughts and patterns in your mind that conform you to the world by daily infusing and meditating on the word of God. This is the transformative power of God - His word. His word sanctifies us and when we are sanctified, we can easily experience revival.

As the world informs your mind that Christianity is a life without power, just before your mind begins to ponder on it, to accept and build on that information, you must speak to your mind from the truth and reality of the Word of God in your spirit, that a Christian life is one of power!

You have to daily speak to your mind and to your body that you are whole and complete in God! Speak to your mind that you are the head and not the tail! Speak to your mind that lines are falling unto you in pleasant places this year! Speak it and believe it because, your spirit agrees with the word of God and you just have to inform and transform your mind to align with your spirit!

This is the person that will experience revival - a man who separates himself to sound thoughts and sound words!

Pray this prayer of consecration over yourself now and everyday: ¹In the name of Jesus, I consecrate my life again today to the Holy Spirit as I present the members of my body to Jesus Christ as instruments of righteousness. ²I ask for the blood of Christ to cleanse me and all that pertains to me. ³Holy Spirit, fill me now as I bring all that I am, all I know and all I have under the rule and the dominion of Christ in Jesus name. Amen!!

"A forgiven sinner is quite different from an ordinary sinner, and a consecrated Christian is quite different from an ordinary Christian."

- Watchman Nee

EDITORIAL

And when the day of Pentecost was fully come, they were all with one accord in one place". - Acts 2:1

We are on the verge of an outpour of God's Spirit like we have never seen before - the Last Day revival is at the door! Just like in the day of Pentecost as described in Acts chapter 2, there is a position that the Church must take to be in one accord in one place. A revival is coming, and the Body of Christ, even amidst her wondrous exploits, seems too busy, focused on differences rather than on engendering the unity of faith among believers.

There is one body, and one Spirit, even as ye are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all.

Ephesians 4:4-6

It came even to pass, as the trumpeters and singers were as one, to make one sound to be heard in praising and thanking the LORD; and when they lifted up their voice with the trumpets and cymbals and instruments of music, and praised the LORD, saying, For he is good; for his mercy endureth for ever: that then the house was filled with a cloud, even the house of the LORD; So that the priests could not stand to minister by reason of the cloud: for the glory of the LORD had filled the house of God.

2Chronicles 5:13-14

This is why this publication, One Sound Revival Post, is in your hands. Our goal, is to set your heart on fire for the revival that is now before us. You will find in the pages of this publication, articles and resources that will stir your heart in the direction of consecration and readiness to be an agent of revival in your home, office, local church, city, and nation at large.

Enough of the staleness and division in the Body of Christ. It is time to unite and be revived so we can revive the nations! So get on fire!

THE FULLNESS OF GOD

...THE ROLE OF UNITY IN BRINGING THE CHURCH INTO THE KNOWLEDGE OF THE GLORY OF GOD

"The Learning of the Christian Man ought to begin with the fear of God"
- Thomas Cramer

The greatest desire of Christ for His Church is unity, regardless of our race, individual beliefs or denomination.

...Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are. - John 17:11b

Despite this desire of God, the Church remains divided, not by who we believe but **HOW** we believe. This division continues to push us farther from experiencing the Glory of God, which can only be experienced in unity, as the Glory of God cannot manifest in isolation.

Behold, how good and how pleasant it is for brethren to dwell together in unity! - Psalm 133:1

Four Manifestations of God in the Church

There have been four ways that God has revealed Himself to the Church over the years, like we see in **Ephesians 3:17-19**:

That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, May be able to com-

prehend with all saints what is the breadth, and length, and depth, and height; And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God. "
-Ephesians 3:17-19 (KJV)

He has revealed His breadth, length, depth, and height at different times to different people and generations of believers. The Lord revealed these dimensions of His power to men because He wanted to emphasize four areas of the Body.

Yet, many to whom God has revealed His power, have formed a denomination with it, supposing that the aspect revealed is all there is to the person of God.

Four Broad Denominations within the Body of Christ

1. THE BREADTH MOVEMENT/DENOMINATION:

This movement focuses on the breadth of God. This section of the Church emphasizes the broader life, i.e. they teach the doctrines of hardwork, diligence, business and career advancement.

2. THE LENGTH MOVEMENT/DENOMINATION:

The Length Movement focuses on the length of God. These are those who believe in and teach about the lengthier life, focusing on success and relationships.

3. THE DEPTH MOVEMENT/DENOMINATION:

This movement or denomination focuses on the depth of God, i.e. a deeper life of holiness and the fear of God.

4. THE HEIGHT MOVEMENT DENOMINATION:

The Height Movement focuses on the height of God. These teach about the higher life, i.e. excellence and the anointing.

All these movements came at different times, and each revealed one side of God. So, while the **length** denomination thinks they have all of God, having

experienced a lengthier life, success and great relationships, the **depth** denomination is of the opinion that they have also experienced all of God, having experienced his holiness, having the fear of God, and having a deeper walk with God but that is also not all of God. In these Last Days, God wants to bring His glory on the earth by causing all four manifestations to be known in His Church. However, that cannot manifest when the Church is in division and isolation, because the glory is a unity thing. We are not supposed to know just one but **all four** of His manifestations.

In these Last Days, God is going to move through the whole Body of Christ: No one will be able to resist His power, no one will be able to fight it, and no man will take the glory.

The name “I AM” is like a blank cheque. Our faith can fill in whatever the Lord is to us personally.

- Archbishop B.A Idahosa

The name Archbishop Benson Andrew Idahosa is one that cannot be forgotten in a generation that desires to worship a living God. Yes, i mean a living God. Although, gone to be with the Lord, his message about God and the display of his power is still imparting many and causing the faith of many to mature, baptizing many young men and women with the power to stand against and destroy evil in this generation.

HIS LIFE OF FAITH

Benson Andrew Idahosa (11 September 1938 – 12 March 1998) was a charismatic Pentecostal preacher and the founding father of the Church of God Mission International with headquarters in Benin City, Nigeria. As the first Pentecostal Archbishop in Nigeria, he was well known for his life of faith.

T. L. Osborn referred to him as *“The greatest African*

GOD'S GENERALS

ARCHBISHOP BENSON ANDREW IDAHOSA

Ambassador of the Apostolic Christian Faith to the world”

Archbishop Benson Idahosa was born to non-christian parents in a predominantly non-christian community. He was rejected by his father, John, for being sickly as he constantly had fainting spells as a child, and after one of his spells, his mother was instructed by his father to abandon him at a rubbish heap thinking him dead. Hours later, he was rescued by his mother.

As a youth, he got converted to Christianity by a certain Pastor Okpo, and joined his congregation as one of its first members. He was very active in converting many to Christianity as he had read the whole book of John and was passionate about soul winning. After experiencing a revelation from God calling him into ministry, he began to conduct outreaches from village to village.

He then bought a motorcycle to help him travel the distance to preach the gospel, before establishing his church in a store in Benin City. By 1971, he had established churches all over Nigeria and Ghana.

Renowned for his boldness, power and prosperity-based preaching, as well as an enormous faith in God's supernatural power, he was key to the strong wave of revival in Christianity and marked conversions from animism that happened between the 1970s and 1990s in Nigeria.

He is regarded by Christian folks as the father of Pentecostalism in Nigeria.

Many prominent Nigerian pastors today were his protégées.

MINISTRY GROWTH

With his main task being evangelism, he launched Idahosa World Outreach television ministry (IWO TV), which was a broadcast reaching a viewing audience of 50 million people. This was a first in Nigeria as the gospel was on every screen in every home. He was used by God to perform many miracles, including healing the blind, and raising up to twenty-eight people from the dead at different times in his ministry.

He had strong connections with international ministers like Billy Graham, T. L. Osborn, Kenneth Hagin, Benny Hinn, Reinhard Bonnke, Morris Cerullo, Oral Roberts, amongst others; and preached the gospel in 145 nations in his 59 years life. At the time of his death in 1998, he had preached to more whites than any black man, and to more blacks than any white man. His desire to meet the needs of the total man, led him to establish several other arms of the ministry apart from the church. They include; the Faith Mediplex, All Nations for Christ Bible Institute, Word of Faith Group of Schools and Benson Idahosa University.

CRITICISM COULD NOT STOP HIM

He faced a lot of criticism as he brought a lot of firsts into Christianity in Nigeria and Africa. He was excommunicated by Pastor Okpo for buying a motorcycle, but was later accepted into the church when the same motorcycle was used to take the pastor's pregnant wife to the hospital. He was

accused of turning the church into a disco hall when he bought drums and other musical instruments for praise and ministrations. He was accused of leading people to hell when he fostered the gospel on TV and when he bought a car. He first mooted the ownership of Universities by churches in Nigeria. He built the Largest Bible School in Nigeria, where foreigners taught and still teach and learn.

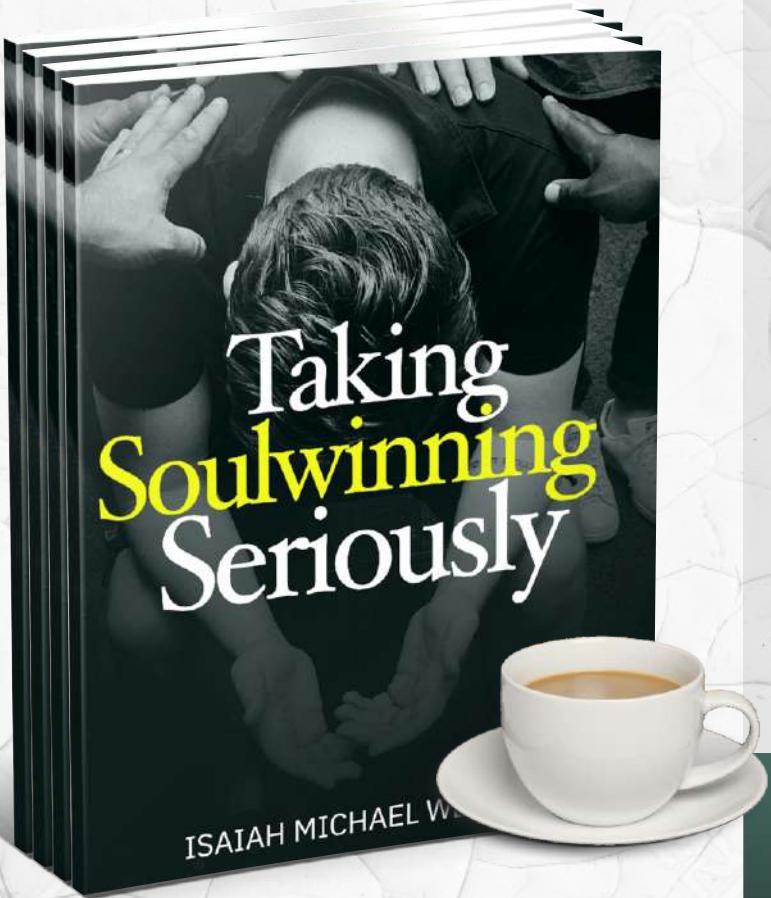

BREAKING NEW GROUNDS

In 1989, Archbishop Benson Idahosa led 1 million people in a crusade at the Tafawa Balewa Square in Lagos for the first time. In contrast to the pervasive ignorance and lack of foresight of the church at that time, he chose to minister the gospel, raise the dead, heal the sick in demonstration of power and in prosperity. In summary, he was a 1 in a 1000 kind of preacher. With words backed by the God who sent him, this great man was able to call down physical and spiritual fire from heaven, he would call blindness, paralysis, or death on anyone standing as a barrier to the work of the gospel or perverting truth just like Prophet Elijah did. Archbishop Benson Idahosa was a man whose presence demons, wizards and witches could not withstand. He drove away hundreds of witches and wizards in Benin and thousands in Nigeria as a whole. The anointing, grace, power, and authority in Christ that was on Archbishop Benson Idahosa is still on the Earth today. God wants to impart men and women with it; but only those who are willing to follow Jesus Christ and walk in dimensions no one has ever heard of nor experienced before, can receive it.

BOOK REVIEW

TAKING SOULWINNING SERIOUSLY

By Dr. Isaiah Wealth

In what ways can I witness?

These are some of the questions this book aims to answer in its four but insightful chapters

CHAPTER ONE: Proactive Witnessing

CHAPTER TWO: Teaching and Witnessing

CHAPTER THREE: Preaching and Witnessing

CHAPTER FOUR: Testifying and Witnessing

"The Great Commission is not an option to be considered; it is a command to be *obeyed*."

- Hudson Taylor

A Revival where the Salvation of Souls is not the focus is not a revival. A Revival brings to the fore-front the essence of Jesus' death and resurrection - the salvation of souls. Many around the world do not even know they need to be saved, they do not need to be saved, they do not realize the reality of the gospel and its saving power.

There are certain believers today who are of the opinion that living right and doing good works are all it takes to reach the world and turn people to Christ.

Some others also criticize the approach of those who actively evangelize, share tracts, and preach the gospel with every opportunity as being too confrontational.

As important as living right and doing the right things are, there are still many people who would not be saved until they hear and understand the gospel."

Romans 10:14 "How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?"

Some believers question - How seriously should Soulwinning be taken?

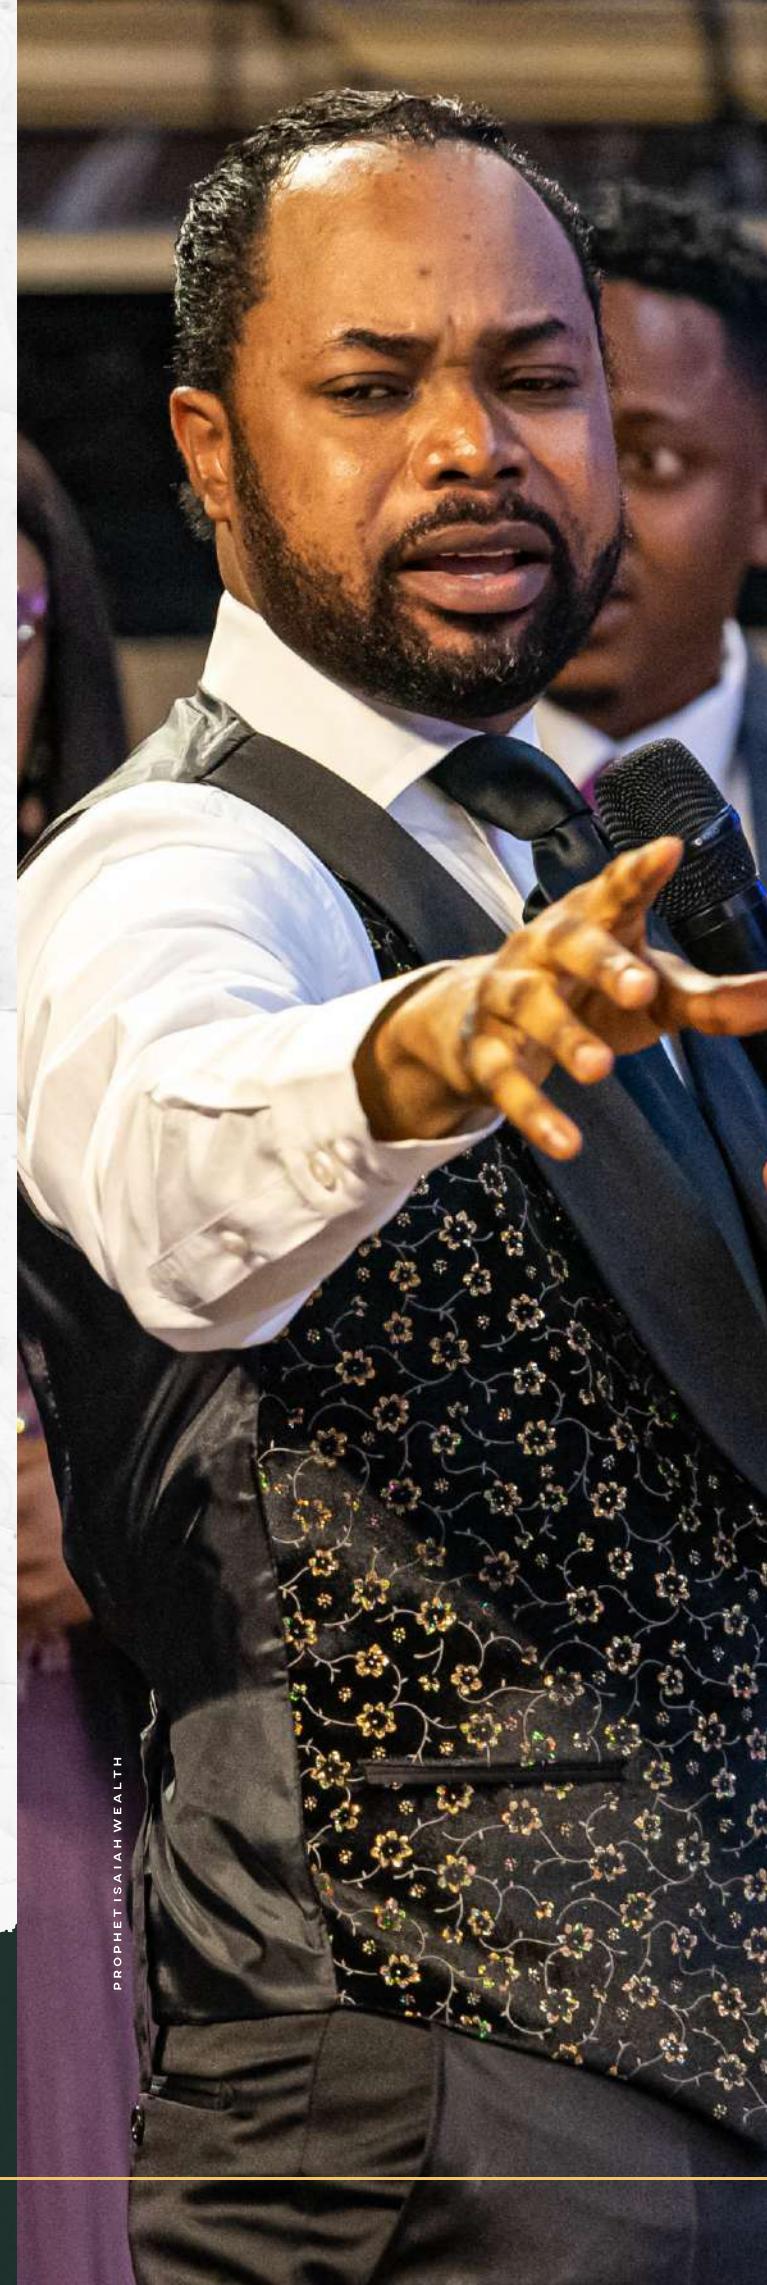

In this book, you should learn practical steps and wisdom from scriptures on how to be proactive in reaching out to the lost and winning souls to Christ through teaching, preaching, and testifying.

"This generation of Christians is responsible for this generation of souls on the earth."

THE REALITY OF PROPHECY

|| FW DE KLERK - JUST LIKE MANDELA: WHAT I SAW 4 DAYS BEFORE HIS TRANSITION

AMOS 3:7 *Surely the Lord GOD does nothing, unless He reveals His secret to His servants the prophets.*

The great importance of prophecy to the body of Christ today is the extant Word of God to encourage and guide His people. A prophetic message is "a word fitly spoken" (Proverbs 25:11), from God, "good for edifying, as fits the occasion, that it may accord grace, faith to those who hear" (Ephesians 4:29).

These may be words of comfort, assurance, exhortation, admonition, exposure, and correction - all of these are intended by the Spirit to bring and maintain renewal in Christ's church, to cause the church to move forward, grow and mature according to the will of God in their Faith in God and all that concerns him.

Let us examine one of such prophecies as given by the Prophet of God.

On Saturday 6th November 2021, during a session of the Greater Glory Gathering (G3 Intl. Conference) which held in Lagos Nigeria, the Prophet of God, Dr. Isaiah Wealth rendered a prophecy regarding the imminent passing away of a President who has a connection to Nelson Mandela. Let us consider an extract of the prophecy in his exact words.

"By the way, that reminds me about what I saw: I was sitting there and I saw a president in a coffin and I saw this motorcade and I saw through the coffin and I was seeing this man and I hear someone saying in his death, comparing him to Nelson Mandela, and I saw this president pass on, a big loss, I was watching this while Ron Kenoly was ministering"

Now, take note of the following:

- *That the Man of God mentioned that he saw a President.*
- *That the Man of God says that he sees this President in a coffin.*
- *The Man of God establishes that this man would be compared to Nelson Mandela in his death.*

Barely 5 days after this prophecy by the man of God, on Thursday 11th November 2021, news headlines reported the demise of Ex-South African President, FW De Klerk, the last Apartheid President of South Africa who handed over to Nelson Mandela, just as prophesied by the man of God.

The degree of accuracy of the description given by the man of God in his prophecy, establishing that this president would be compared to Nelson Mandela, is thoroughly amazing.

Number 1: On February 11th 1990, FW de Klerk freed Nelson Mandela who had been incarcerated for 27 years.

Number 2: FW de Klerk was the last Apartheid

President of South Africa who handed over power to Nelson Mandela in 1994.

Number 3: They both worked together to put an end to apartheid in South Africa.

Number 4: In honour of his role in the peaceful transition to democracy in South Africa and bringing an end to apartheid, FW de Klerk earned a Nobel Peace Prize together with Nelson Mandela in 1993.

Number 5: As an ex-President of South Africa, it is expected that he would receive a State Funeral, just like Nelson Mandela, as prophesied by the man of God about seeing a president in a coffin, in a motorcade.

This confirms the prophecy rendered by the man of God just 5 days before, and again proves that nothing is hidden from the eyes of the Almighty, who reveals His counsel through His prophets according to His own will to cause the believers and the body of Christ to believe in the supremacy of God over all the affairs of men.

South Africa's last apartheid president, FW de Klerk, dies at 85

Issued on: 11/11/2021 - 12:11

HEALING MIRACLES TODAY

[PART 4 | INSTANT ASTHMA HEALING]

Healing is Jesus' most common miracle. They were part of Jesus' ministry of signs and wonders. Can the kind of miracles Jesus did in this time still happen today? Undoubtedly, yes! He does not change.

Malachi 3:6 - For I am the LORD, I change not; therefore ye sons of Jacob are not consumed.

The God of the Bible is the same God today.

Hebrews 13:8 - Jesus Christ the same yesterday, and today, and forever.

God is always known to favor His children (Psalm 84:11), and like a good father, He delights in giving His children what they need.

Matthew 7:11 - If ye then, being evil, know how to give good gifts unto your children, how much more shall your Father, which is in heaven give good things to them that ask him?

If we are sick, we ought to have the boldness and confidence to ask for healing. The same God that parted the Red Sea, healed the lame, gave sight to the blind and raised the dead is still in the business of healing. Let us consider one of such times, when God through His Prophet, Dr Isaiah Wealth healed a lady of Asthma.

In the month of April, 2016, the Prophet gave a prophetic word of a sister he had to pray for as the lady in question had difficulty breathing, a medical condition known as Asthma. The man of God further mentioned that this problem began not too long ago, she was not born with it, neither was it in her immediate blood line.

In the words of the man of God, "*there is a lady God wants me to pray for. I saw in the visions of God that you just noticed you had Asthma, it was not there before, your father does not have it, your mother does not have*

it, you were not born with it, you just discovered not too long ago that you had Asthma'.

While he yet spoke, a lady walked out to confirm the word of prophecy rendered by the man of God. She said she noticed she had Asthma 2 years ago in 2014 and that neither her father nor her mother had it. The man of God continued, "I will do what I saw in that vision", he moved close to her with his palm close to her face and he said "Breathe, in and out, I declare you free from Asthma in the name of Jesus", and as he prayed these words over her, she fell under the power of the Holy Spirit and to the amazement of both the man of God and the entire congregation, she sneezed as she fell under the anointing. Weeks later, she confirmed that the symptoms started in 2014 and she was referred to a private hospital, she had nose bleeds, nausea and was transferred to a general hospital, and that was where she was diagnosed medically as having asthma. She was unable to cook, fry, unable to use deodorants and body cream, and now she testifies saying, *'I no longer use my inhaler, I no longer avoid cooking, sweeping, I now use deodorants and body cream comfortably. I just want to thank God for using our man of God. This can only be by the power of God. Glory to God!'* You are not exempted from healing, no matter what ails you or your loved one, you can get your healing.

As this miracle stirs up faith in your heart, continue in that same atmosphere and keep praying in faith. Surely, your miracle is next in the name of Jesus! Amen.

You can watch this clip and many others of the healing power of Jesus on our YouTube channel - Isaiah Wealth ministries.

Visions of Revival

Visions of the Naked Baby

“Where there is no vision, the people perish; but he that keepeth the law, happy is he.”

- Proverbs 29:18

Spiritual encounters and visions are one of God's ways of communicating His intentions, His will, and His desires to His people. God does not at any time want His people groping in the dark concerning any aspect of life especially in their walk with Him and so, under the subject of revival, He is very much interested in ensuring that we know what to do per time or what not to do in order to experience the revival He has promised.

Consequently, let us consider a vision shown by the Spirit of God to an intercessor to prepare the Body of Christ for revival. The Holy Spirit is ever ready to nudge you towards the right actions to bring about a personal and community revival. Here are excerpts of the vision.

THE VISION

As I prayed in the morning, i was in a vision where I saw Prophet Isaiah Wealth walk up to the altar in

the church auditorium, carrying a naked baby and he stretched out his hands with the baby and said "just as you can see this baby I am carrying, i want you to know that everything you do is as naked before God as this baby is, nothing is hidden before God and all that you ever have and know is from God".

Suddenly, the baby disappeared from his hands and the Prophet came down from the pulpit and he began walking by the front row of the Church. He continued speaking to the church but as he spoke, it seemed as though it was Jesus Himself speaking. He said, *"I want to present my bride to the Father without wrinkles, and I want you now to drop all forms of grudges, bitterness, evil competitions, pride, and arrogance amongst you. Let every addiction*

go, stop remembering past hurts, let them go, I know your shortcomings but, do not dwell on them anymore, some of you make references to your brother's yester-years mistakes and hurts, drop them now, the dirty discussions you dwell on and allow in your homes have deprived your homes of My presence, let them go now."

As he continued addressing the people, his face was changing to that of Jesus, with so much blood on him. He continued, *"I want you to come let us reason together bring your strong reasons."*

I then saw that as He spoke, people were already on the floor crying and rolling uncontrollably and His words were fighting and dealing with addictions and all shortcoming in people that were limiting them.

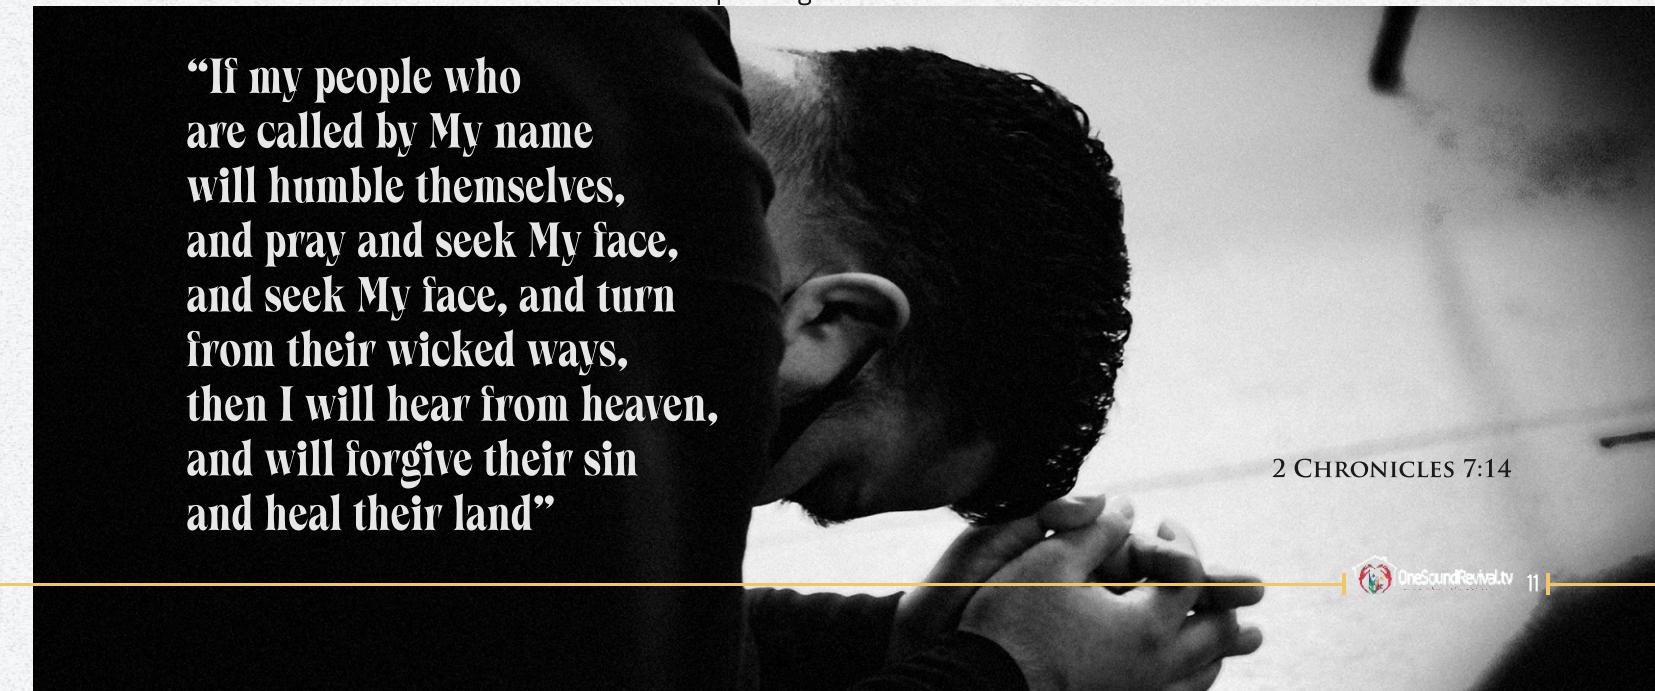

As He continued to walk round the church speaking

“If my people who are called by My name will humble themselves, and pray and seek My face, and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land”

to the people about their battles, I heard a voice say to me, *'the brokenness of their hearts will bring about revival.'*

I saw that all the Apostles, the Reverends, Pastors and everyone sitting from the front seats to the last seats at the back were all rolling on the floor, crying like babies as He kept saying, *"I know your addictions and all you do behind closed doors, they are all open before me, but I want you to let go of every experience that made you bitter and embrace me with all your heart with all your strength and with all your might"* As I heard all these words, I also began to cry out loud and I came out of the vision.

2 CHRONICLES 7:14

WORSHIP AND REVIVAL

When we hear and relate with the act of worship, words, and songs come to mind but, it is not restricted to words and songs alone. In the Old testament, kneeling, prostrating and falling face down were all acts of worship, even adoration in silence is an act of worship.

The key component in worship:

No matter what posture you decide to take, it is the involvement of the heart in humility, respect and total submission to God. This is the worship that reaches and touches God.

Many great men both in the Old and New testaments and many more in contemporary times, who have done great things in the name of God, raising the dead, healing the sick and casting out devils amongst many other things, have mostly had one thing in common - the worship of God with a child-like heart. They did not just focus on having prayer times but, their secret was in being child-like towards God in worship - a daily child-like adoration and awe of who God is. This kind of worship is an immense adoration that comes up in the spirit of a humble and grateful man who is in awe of who God

is.

This is who God is drawn to; a humble worshiper. When God dwells with men, this is Revival and a humble worshiper is like a magnet to the presence of God.

In every revival where God has shown Himself, there have been people who fell down in worship. Throughout the bible, we see men like Isaiah who cried out their unworthiness, (Isaiah 6:5) - Then I said, "It is all over! I am doomed, for I am a sinful man. I have filthy lips, and I live among a people with filthy lips. Yet I have seen the King, the LORD of Heaven's Armies.").

Also we see David who shamelessly adored and

This is who God is drawn to; a humble worshiper. When God dwells with men, this is Revival. And a humble worshiper is like a magnet to the presence of God.

worshiped God without concern for what others might say, (2 Samuel 6:14-22) - "Michal, the daughter of Saul, came out to meet David and said, 'How the king of Israel honored himself today, uncovering himself today before the eyes of his servants' female servants, as one of the vulgar fellows shamelessly uncovers himself!'

And David said to Michal, 'It was before the LORD... I will make myself yet more contemptible than this, and I will be abased in your eyes...').

According to James 4:8a - 'Draw nigh to Him and He will draw nigh to you... The more we draw to Him, the more He draws to us and the more He dwells with us.

That is the revival we seek. Worship is complete when it is focused on the personality of God. Everyday is a day to examine your worship and realign its focus, and as your heart keeps lifting God up, His Glory will be made manifest in and through you in no time. Hallelujah!

Seek out opportunities and meetings where you can worship the Father in spirit and in truth and stay revived!

“Worship is the proper response of all moral, sentient beings to God, ascribing all honor and worth to their Creator - God precisely because He is worthy, delightfully so.” - D. A. Carson

EVANGELIST BILLY GRAHAM

Billy Graham was perhaps the most significant religious figure of the 20th century, and the organizations and the movement he helped spawn continue to shape the 21st. Born November 7, 1918, Mr. Graham made a personal commitment to Christ at age 15.

His Ministry

From the time his ministry began in 1947, Graham conducted more than 400 crusades in 185 countries and territories on six continents. The Los Angeles Crusade in 1949 launched Mr. Graham into international prominence. Scheduled for three weeks, the meetings were extended to more than eight weeks, with overflow crowds filling a tent erected downtown each night.

He is known as a pioneer in the use of new technologies to preach the Gospel, from radio and television to films and the internet. Beginning in 1989, a series of Crusades via satellite extended his preaching to live audiences in more than 185 countries and territories.

Graham deliberately reached into the secular world as a bridge builder. During the Cold War, Graham-the-bridge-builder became the first evangelist of note to speak behind the Iron Curtain, addressing large crowds in countries throughout Eastern Europe and in the Soviet Union, calling for peace. In addition, he helped launch numerous influential organizations, including Youth for Christ.

Graham was offered a five-year, \$1 million contract from NBC to appear on television opposite Arthur Godfrey, but he had prearranged commitments. He turned down the offer in order to continue his touring revivals. Graham had crusades in London, which lasted 12 weeks, and a New York City crusade in Madison Square Garden in 1957, which ran nightly for 16 weeks.

Mr. Graham preached the Gospel to more people in

live audiences than anyone else in history—nearly 215 million people in more than 185 countries and territories—through various meetings, including Mission World and Global Mission. Hundreds of millions more have been reached through television, video, film, and webcasts. He wrote more than 30 books, many of which stayed on the best-seller lists for months.

Recognitions

Mr. Graham's counsel was sought by presidents, and his appeal in both the secular and religious arenas is evidenced by the wide range of groups that have honored him, including numerous honorary doctorates from many institutions in the U.S. and abroad. He had personal audience with many sitting US presidents, from Harry S. Truman to Barack Obama – 12 consecutive presidents.

Family Life

Mr. Graham was married for nearly 64 years to Ruth Bell Graham, and together they had three daughters, two sons, 19 grandchildren, 44 great-grandchildren and 9 great-great-grandchildren. Billy Graham died of natural causes on February 21, 2018, at his home in Montreat, North Carolina, at the age of 99.

TESTIMONIES from PRAY WITH THE PROPHET

22 HALLELUJAH PRAYER SERIES

"The Lord entrusts a testimony of the truth to those who will share it with others."

- Dierer F. Uchtdorf

STRANGE GROWTH DISAPPEARS

Immediately after Tuesday prophetic morning prayer with the prophet, my wife and I held our hands together and prayed for 30 more minutes.

After the prayers before preparing for work, I checked my work App and realized my monthly sales target has been increased by 3million naira, I was not happy because I have not even met the previous target. While wondering what is going to happen, my wife told me that I should believe that God is able to do it even beyond my expectations and that I should remember that we just finished praying with the prophet. When I got to the office that day I approached one of my biggest clients but he turned me down saying that he already got from somewhere else and that one of the products I was trying to sell is not a fast moving good unfortunately it was part of my target. If I am selling two of the other good that is moving I must sell one of the other that is not moving. Later that day I met one of my clients that normally buy small amount of goods from me who introduced me to his brother who bought goods worth 3.1million naira and paid immediately though, he wanted to buy more but at that same time there were too many other customers calling me that they also need the same goods, so I have to manage and share the goods I have among them. I sold goods worth 5.2million naira in cash in that same day including the goods that were very difficult to sell, no one was even expected to sell up to 50 cartons of it but I sold almost 200 cartons of it alone. Which means, I have met and even dusted my target and still few days before the end of the month.

One of my colleagues asked me how I did it, my simple answer was "I AM A SON OF THE PROPHET" I AM A GOSPEL PILLAR.

Second testimony: My previous month incentive was not paid because it was remaining about 10% for me to meet my target, but I decided to pay the tithe of the incentive anyway because I know the amount I suppose to earn. My prophet sir, to the glory of God, my previous incentive was released that same Tuesday afternoon.

Finally sir, I just realized that out of our family 22 hallelujah prayer requests we have already ticked 11, I mean the God of my prophet has

actually answered 11 out of our 22 prayer requests. I give all the glory to God, the God of my prophet.

Gabriel O. ABUJA

MY MULTIPLE TESTIMONIES SINCE I STARTED PRAYING WITH THE PROPHET

1. I have a place that I rented for an office but was spiritually locked up without using it for about 6 months of which I always tell my clients, that I don't have an office where I can see them. But during the prophetic of binding and loosening, ideas started coming to my head and I set the office up that very day and it has been in use since then.
2. I have a property that I have been believing God to help me sell for the past 4 years. After the prophetic of binding and loosening, and spraying the compound with prophetic water, I finally sold it and even other buyers were begging for it thereafter.
3. This led to the No. 6 of my 22 Hallelujahs prayer request answered that God should help me to pay all my debts. Now, I am totally free from debts. Hallelujah!!
4. Number 13 Prayer request answered!!! I pray that God will perfect the traveling process of my daughter and her husband. I thank God that the husband is gone now and I am believing God that very soon his wife will join him. Hallelujah!!!

Mrs. Evelyn (Akure)

THE GOD OF MY PROPHET IS ALIVE AND HAS STARTED WORKING ON MY CASE.

Yesterday, following the prophetic act of tying and loosing. I tied a business flyer, my ward coat and some other materials. Just yesterday, I got an order equivalent to what I get per week. Same yesterday, I got a call from one of my doctors who is a consistent buyer, saying he's back again to resume purchases. Yesterday also, I got a call from my friend telling me she had put in a word for me for a job placement I applied for with a multinational organization. I'm thanking God because I know He will perfect what He has started in my life.

SUPERNATURAL DELIVERANCE

After today's prophetic act today, I slept off at around past 9 am then I had a dream. In the dream, I saw myself in a program where our prophet (Isaiah Wealth) was ministering then he came to me and told me that the Lord is so emotional about my case because I know

nothing about what was done to me and I'm very innocent. He mentioned Adamawa State as the root and my mum is from Adamawa state. Then, the prophet held my two hands and prayed in serious tears for GOD to help me and deliver me. He even said if my case is the only one he will attend to that day, he will be so happy because all he wanted is for me to be delivered. I woke up from the dream around 11am.

Vivian (Lagos)

RECORD BREAKING ALLOWANCE

During the prophetic act on Tuesday, as a military personal, I tied my rank, and just yesterday I was paid a very rare allowance in a huge sum. In all my 28 years in this job I've never been paid that sum or that allowance. My tenant who refused to pay me for months called me to say she just sent all the money to my account, this was someone that I even had to tell to forget about the money.

Josephine C. (Benin)

Same EVENING again sir, another of my clients transferred some money into my wife's account saying he will come pick up his goods by AUGUST ENDING. Before now my PROPHET, you gave me a PROPHECY that the money I need to add up for my business will not be a problem. Before now, we have been buying a TRAILER LOAD but now, with the additional money my prophet, we can now buy more TRAILER LOADS. GLORYYYYYYYYYY BE TO GOD.

24 HOUR BREAKTHROUGH FROM HAVING NO JOB TO BECOMING THE HEAD OF A DEPARTMENT

On Sunday, 17th, the Case file of Igharo family was revealed to the Prophet. Prophet said he sees a Kingsley, that he's a Pharmacist. And then he gave my family a Monday Appointment at the 22 hallelujah morning prayers. During the Monday Morning Prayers when Prophet was ministering to the Igharo family, Prophet turned to my case file and said, "Kingsley, God says you may not be tall physically but People will look up to you." During this time, I have been job hunting for about 3 months now as I just finished my NYSC in April. I had already found a job with a good salary in Community Pharmacy Practice and was to register with the place on Thursday, this job was just to pass away time as my real interest was in Research, Drug Discovery and Academia as Prophesied by Prophet.

WITHIN 24 HOURS FROM THIS PROPHECY, I got a call during the Tuesday prophetic act morning broadcast while I was holding my ATM card for prophet to bless. This call was from the PSN Chairman of Edo State recommending me as the best person for a post at Igbinedion College of Health Technology Benin. He told me that I should come with my credentials to the school. The management immediately gave me an

appointment as a lecturer and Head of Department of Pharmacy, Igbinedion College of Health Technology Benin.

The amazing thing is that, I had not even applied for the job nor did any kind of interview at all nor had any prior teaching experience.

Secondly, for most persons, the starting salary is usually lower than what other pharmacies pay but, in my case, it was the same salary as the community pharmacy I was to register initially. The appointment letter was even backdated as if I've been working previously.

God had taken me from being jobless to becoming an HOD that even my senior colleagues and other professionals will look unto. Thank you Lord..indeed God truly speaks through his servant the Prophet.

MULTIPLE FINANCIAL FAVOURS AFTERPRAYING WITH THE PROPHET

During the TUESDAY PROPHETIC ACT 02/08/2022 Prophet instructed us to tie all our business, careers and working tools which I brought out: A BAG OF POP CEMENT, A TIE OF FILLERS, A BUCKET OF PAINT AND OTHER TOOLS was tied together including my ATM CARD SIR. My Prophet, after 2 hours I got a call from one of my major engineer that he wants to see me. Sir I got there and behold, he told me that he has a free money to add to my business extending after some months I can return it. That same Tuesday evening my Prophet, he transferred (SIX FIGURES) into my account.

Prepare For Revival

"Revival is the visitation of God which brings to life Christians who have been sleeping and restores a deep sense of God's near presence and holiness."

J.I. Packer

The journey to supping with Jesus, the journey to a revival is detailed all over scriptures and Revelation 3:20 captures that journey.

"Behold, I stand at the door, and knock: if any man hears my voice, and opens the door, I will come in to him, and will sup with him, and he with me."

The willingness of the Father to bring us to Him and Him with us is not in question. His willingness is too consistent for us to doubt.

Why then do we not experience revival? Here are some questions we really need to ask:

1. Can you see Him at the door?

Oh how beautiful it is to always have the Saviour at our door, desiring to come in and how painful it must be for Him to realize that we are too vested in ourselves, too lost in our own desires, our wants and needs to open our eyes, to lift up our heads and see that we have the King of Glory at our door!

Can you see Jesus at the door of your heart?

When He gently nudges you that He awaits your presence in study, or He awaits your presence in prayer. Lift up your head today and see Him at your door.

2. Can you hear Him knocking?

For some, the Holy Spirit has been knocking on the door of their hearts for so long that they have tuned out His knocks. He is so gentle, He will not force Himself on you. He will wait for an invitation from you. When you suddenly feel you should be worshipping rather than talking or sleeping or you should just

simply wait on Him, when you can 'hear' a gentle knock interrupting your usual activities, this is you recognizing and acknowledging that you have a "guest" at your door, the most important one of your life.

3. Will you open to Him?

How joy fills His heart when He hears your spirit calling to Him, telling Him to come in! When you can see Him at the door and you can hear His knock and you open up to Him, it will lead to the revival you seek!

A revived man is a man who constantly sups with the King of Glory, who does not just stop at seeing Him or stop at hearing a knock but also opens up to fellowship with Him each time He comes.

This is how to prepare to receive revival. Begin to repent of all the times you have not seen Him, heard His knock or opened up to Him and start being deliberate to inviting Him in and attending to Him. As you consistently continue in this, revival will be the result. Glory to God!

FACTS ABOUT THE CHRISTIAN CHURCH

The Dura-Europos church was the earliest identified Christian house church. It was located in Dura-Europos in Syria. It was one of the earliest known Christian churches, and apparently an ordinary house converted for worship some time between 233 and 256.

In 1905, Lucy Farrow was the pastor of a Holiness church in Houston, Texas. In 1906, Seymour asked Farrow to come to Los Angeles to teach glossalia to the people he was praying with for revival. Her arrival sparked what came to be known as the Azusa Street Revival. Her touch filled people with the Holy Spirit, and her ministry demonstrated healings and the power of prayer. From Azusa Street, her ministry spread throughout the Southern United States and to Liberia and West Africa

Close to 5 million people were recorded to have attended the Brownsville Revival

Brownsville Revival, which was the longest recorded revival, lasted for 6 years in its fervor around 1995 to early 2000's and continued for an additional 3 years before its decline

Aimee Semple McPherson's church, the Angelus Temple, attracted 40 million visitors within its first seven years.

The Welsh Revival of 1904 is recorded to be the shortest revival as it lasted less than a year but over 100,000 people were converted

REVIVAL IS COMING TO NIGERIA

[P A R T 5]

The fire of past revivals were dwindled and even quenched by corruption, division, materialism, personality clash, greed, and idolatry. The worship of money and agendas to uproot Christianity in the land are evidence that the Church is losing her fire.

Nigeria, like many other African countries, has become a killing field of defenseless Christians as she is now home to some of the world's deadliest groups, Boko Haram, ISWAP, and Armed Fulani herdsmen. Recent reports revealed that there are close to a million unreached people groups and close to half a million Muslims who need Jesus. We need another great revival and we need it now! Thankfully, the promise of a coming revival has re-echoed louder in recent times, especially through tested prophetic voices in and around Nigeria. We should not at any time ignore these prophetic voices.

The following is an excerpt of a prophetic voice about Nigeria; "...He (God) wants to establish His covenant in the earth, He wants to do mighty things for which He will be remembered so that when we want to talk about God, we will not reach back into the last 23 years and recall Benson Idahosa and recall the great prophet Babalola but He will walk this world in my time because of the arrangement of the mingled Spirit, there will be no insufficiency for the Bible says the Spirit Himself, He swallows up our insufficiency. Something is about to happen in Nigeria, a new set of youths with a new life will emerge. They will never be stopped, they will go beyond the borders of Nigeria and bring witness to the nations of the earth because the Spirit of God will be unleashed from their vessels. The best story of Nigeria has not been told, men are coming, women are coming, pastors are coming, prophets are coming, apostles are coming, a new order is coming because the Spirit of God will be unleashed.

The river flows, there is something that cannot be corrupted coming, there is something that cannot be killed coming, in those days, the killers of strangers will hide their faces, because our God will be valiant in that day, nothing shall stop Him. The days of Jacob's troubles will not be many, for salvation shall come to her, be comforted oh ye that weep, for He shall appear with glory and no man shall stop Him.

The Lord will come to Nigeria, I see Him come, He will garnish Himself with great splendor and majesty and nothing shall stop Him. He will set foot upon the land and the strong will hide their faces, for I beheld in the spirit and I saw 2 angels standing high up into the clouds and He said to me, judgement is already at the door, for the days of Jacob's trouble shall not be long, He says visitation, visitation, visitation, visitation, for I will visit with my people, I have heard their cry from their taskmasters and I am come down to visit my people, I will come with fury, I will come with vengeance, with fire, those days are upon you, says the Lord. I will raise unto you, David. David will rise as a sign that my covenant with your land still stands before me.

I have sealed David and nothing will stop him. Your weeping will not be for long, your days of mourning shall be cut short, your mourning shall be turned to joy, for I have sealed David and your days of visitations are upon you. I will bring ambushment into the camp of your enemies and they shall fight amongst themselves and the slain of the Lord shall be many. Then, will I release the wealth of your nation, then will I release the prosperity of your land. In that day of your deliverance, your true wealth will be released."

Such comforting words! God has not started with Nigeria and every believer in and around her shores have to remain in consistent and intense prayers.

Pray these prayers for Nigeria now and always.

1. Isaiah 4:4

When the Lord has washed away the filth of the daughters of Zion and purged the bloodshed of Jerusalem from her midst, by the spirit of judgment and the spirit of burning, Oh Mighty God, purge the foundation of Nigeria with the fire of the Holy Ghost, that our nation will remain an instrument of world revival in the name of Jesus.

2. Jeremiah 12:14

Thus says the Lord concerning all My wicked neighbors who strike at the inheritance with which I have endowed My people Israel, "Behold I am about to uproot them from their land and will uproot the house of Judah from among them.

O Lord, visit every seat of authority and power in Nigeria with your fire, uproot, dethrone, consume, anything that is not according to your will that righteousness may prevail in every part of this nation, in the name of Jesus.

PAST REVIVALS

During the previous semester, and a few weeks before the outpouring of the Holy Spirit on the Wheaton College Campus, there had already been a significant stirring in the lives of individuals. There was organized prayer for revival lasting for several weeks.

On November 9, 1994, there was an all-campus day of prayer. 200 students came to the first prayer time, which began at 5:30 a.m. that day. Timothy Beougher, a professor, had attended the North American Convocation on Revival in North Little Rock, Arkansas, from February 14-17. During that time, he heard from Henry Blackaby and John Avant about the revival occurring at a University and a Church in Brownwood, Texas. Then on March 2, he shared with his class what was taking place there. Beougher then asked the chairman of the World Christian Fellowship, a student-led gathering that is focused on world missions, about inviting Howard Payne students to the Wheaton campus to share. The WCF picked up the idea and arranged for some representatives to come on March 19.

WHEATON COLLEGE REVIVAL-1995

WHEATON COLLEGE REVIVAL-1995

Day One

On Sunday night, March 19, 1995, less than two months after the revival began in Texas, the report of what happened there, arrived at Wheaton College. With about 800-900 students present in Pierce Chapel, at the weekly meeting of the World Christian Fellowship, which began at 7:30 p.m., James Hahn and Brandi Maguire, students from Howard Payne University in Brownwood, Texas, shared about what occurred on their campus the previous month, as well as what had happened at Coggin Avenue Baptist Church on Sunday morning, January 22. Following the sharing of those two students, the microphones were open for any student who wanted to share their burdens or confess their sins.

The World Christian Fellowship, which usually only lasts a couple of hours, was still ongoing till 6:00 a.m. the following morning, as student after student came to the microphone, publicly confessing their sins, and sharing their heart's burdens. There were confessions of all manner of sins and burdens; Sins of bitterness, unforgiveness, lust, cheating, anger, hate, pornography, pride, racial prejudice, addictions of all kinds, broken relationships, stealing, disobedience, homosexuality, theft, cynicism, materialism and competitiveness. After the confessions, groups of 5-25 would gather around the student who had confessed and would pray with them in acceptance and encouragement.

Day Two

Yielding to the move of the Spirit as He was working deeply in the lives of the 1,000 students present, they stayed till 2:00 a.m., with many still in line, wanting to confess their sins. On this evening, one student placed a bag of CDs on the platform, signifying his submission

to the Holy Spirit to rid himself of the music that was detrimental to his spiritual growth. After he publicly confessed his sin, dozens of young men and women rose from their seats and left the auditorium, returning over the next few hours, bringing with them, and placing on the platform, objects that had been an hindrance in their relationship with God. On this night, books, magazines, videos, pornography, drugs, tobacco, alcohol, CDs with secular music, and even credit cards filled 5 Garbage bags.

Day Three

On Tuesday, March 21, 1995, the meeting was moved to the Wheaton College Church, which was a large facility and was able to accommodate the 1,350 people that had assembled. This service started at 9:30 p.m. and continued till 2:00 a.m.

Day Four

On Wednesday, March 22, the Wheaton College Church was filled to its 1,500 capacity by the start time of 9:30 p.m., with the closing being after the last confession, which was given at 2:45 a.m. On this evening, three school officials were invited to speak, and they were Wheaton College President

Duane Litfin, and Professors Lyle Dorsett and Timothy Beougher. They spoke on topics centering around the biblical method of dealing with sin and temptation, as well as discipleship.

Day Five

On the final night, Thursday, March 23, 1995, with 1,800 being gathered, the public testimonies in the main sanctuary centered on giving praise to God for how He had worked in many lives during the week and for the restoration of relationships, addictions overcome, and more.

Results of the Revival

- There was genuine repentance.
- There was reconciliation with God and with men
- There was a renewed hunger for the Word of God.
- The joy during singing of worship songs was evident.
- Private devotional times with God became enjoyable, and not a duty.
- There was an overwhelming compulsion to confess sins publicly.
- Salvation was experienced by students, as well as those in the community who attended the services.
- Marriages were reunited.
- The revival spread to hundreds of churches and over 100 colleges. Hallelujah!

PRAYER FOR REVIVAL

PART 5

WHY SHOULD WE PRAY FOR REVIVAL?

In the words of Arthur Tappan Pierson, *'There has never been a spiritual awakening in any country or locality that did not begin in united prayer'* All revivals can trace their roots back to the place of prayer and if we want to see the church revived again, we would need to give ourselves, our time to prayer. No prayer, no revival! We must learn to start and end our day in the place of prayer. We must commit to intense and earnest prayer and when we are already on fire, we can get others to join us in prayer. *Start Now:* You can start praying now and always with these prayers.

PERSONAL REVIVAL PRAYERS

Psalms 51:10,12

Create in me a clean heart, O God; and renew a right spirit within me. Restore unto me the joy of thy salvation; and uphold me with thy free spirit.

Oh Lord my father, create in me a clean heart and purify my heart that i may have the joy of my salvation restored to me in the name of Jesus!

Psalms 42:1-2

As the hart panteth after the water brooks, so panteth my soul after thee, O God. My soul thirsteth for God, for the living God: when shall I come and appear before God?

My God and father, rekindle your fire in my spiritual life that i may hunger and thirst for the word of God, for prayers and fasting, revive my spiritual altar and walk with you in the name of Jesus!

REVIVAL PRAYERS FOR CHURCH

Acts 5:12

And by the hands of the apostles were many signs and wonders wrought among the people; (and they were all with one accord in Solomon's porch.)

Oh Lord, cause us to have a renewed vision of the power of the name of Jesus Christ and of the Word of God like the early church had so we can experience power like they did and even more in the name of Jesus.

Isaiah 37:32

"For out of Jerusalem shall go forth a remnant, and they that escape out of mount Zion: the zeal of the LORD of hosts shall do this."

Father, we pray in the name of Jesus, that you fill the church with fresh passion and zeal for evangelism and soul winning that we will experience a great conviction and influx of souls.

REVIVAL PRAYERS FOR NATIONS

Psalms 80:14

Return, we beseech thee, O God of hosts: look down from heaven, and behold, and visit this vine;

Father, in the name of Jesus, we pray that you look down in mercy upon the nations and visit us once again.

Isaiah 45:22

Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else.

Father, we pray that you cause the eyes of the lost in the nations, from the seats of power to the common man, to be turned towards You, that we may experience a global revival in the name of Jesus.

As often as you perceive you have strayed away from God, pray these prayers and find your way back to Him.

UNITY IN THE BODY OF CHRIST

Genesis 11:1, 4, 6-8

And the whole earth was of one language, and of one speech. And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do; and now nothing will be restrained from them, which they have imagined to do. Go to, let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth; and they left off to build the city

There is no greater record of unity in the bible quite as fascinating as the story of Babel and if there is any lesson to learn, it is that a people united in understanding and purpose will always win, they can never fail as long as they remain united.

Humans would have built a tower to heaven (if God had not intervened) by sheer unity! Imagine such a feat! How much more can the body of Christ do if we are united? God is not looking for more denominations, He is not looking for more church buildings, though these are good things to have and build but they are worthless to Him when we cannot find a reason to come together for the one purpose for the Church on earth -Souls! There are parts of the body: the head, heart, legs, hands and so on but not one functions independently of the other parts of the body, everything works together, thus, producing the coordination of the human body we see and enjoy. Every cell in your body is working for the good of the body, not one is doing anything to jeopardize the body. They will work differently, look different, have different sizes, lengths, weights, one may appear more important and others not. One body, different party, but not a single one is a decorative piece, not a single one can be discarded or is without use. The common ground is the health and general well-being of your body. With that understanding, every part works and the body's general well-being is achieved. So the church must find her common ground, she must have a common stand, all the parts of the body of Christ must come together and when this is done, there is nothing that we cannot accomplish.

There is an immense power in unity. In **Acts 2:1**, on the day of Pentecost, the apostles were all in one accord, *"And when the day of Pentecost was fully come, they were all with one accord in one place."*

They were united in Christ and that same day, three thousand souls were baptized (Acts 2:41). Three thousand people in one

day because they had received power after being united. Oh, what the Body of Christ is missing from being disunited! Oh, the power, the move of God we can experience when we come together, when every believer is your brother and sister, no matter how they look, how they pray, when they pray, when and how they study the Bible! There is no unity in confusion, strife and contention. The body of Christ needs to unify and work together to reach the world with the gospel of Jesus Christ.

We cannot achieve this individually. God made it so, He put what we all need in each other, so we can unify to reach the world as one. We must keep praying for the unity of the body of Christ so the church can fulfill her purpose on the earth. Even right now, pray these prayers;

Psalm 133:1:Behold, how good and how pleasant it is for brothers to dwell together in unity!

Father, in the name of Jesus, cause every part of the body of Christ to see the benefits of working in unity so that your purposes for the church will be achieved.

Ephesians 4:1-3

Therefore I, the prisoner of the Lord, implore you to walk in a manner worthy of the calling with which you have been called, with all humility and gentleness, with patience, showing tolerance for one another in love, being diligent to preserve the unity of the Spirit in the bond of peace."

Father, in the name of Jesus, help the body of Christ to remember the essence of our calling, show us how to walk in humility, gentleness, patience, and tolerance for one another that we may preserve the unity of the body of Christ. Hallelujah! Keep praying for the unity of the body of Christ.

...There is an immense power in unity...

REVIVAL QUOTES

“At the Heart of Every Revival is the Spirit of Prayer”

- Arthur Wallis -

“Revival is the habitation of the Holy Spirit, when the Holy Spirit has found a place. He can stay permanently.”
Prophet Isaiah Wealth

“Any true revival can be proven by the fact that it changed the moral climate of an area or nation.”
Leonard Ravenhill

“All the true revivals have been born in prayer. When God’s people become so concerned about the state of religion that they lie on their faces day and night in earnest supplication, the blessing will be sure to fall.”
E.M. Bounds

“The secret to consistently hosting the presence of God is genuine, continual death to self.”
Apostle Joshua Selman

“The work (of soulwinning) should not be left for pastors and other leaders in the church – everyone must be involved. Training and retraining should be given prominence in order to develop members into effective workers, to turn them from distressed, discontent men into mighty men.”
Pastor (Dr) WF Kumuyi

“I continue to dream and pray about a revival of holiness in our day that moves forth in mission and creates authentic community in which each person can be unleashed.” through the empowerment of the Spirit to fulfil God’s creational intentions.
John Wesley

“Have you noticed how much praying for revival has been going on of late – and how little revival has resulted? I believe the problem is that we have been trying to substitute praying for obeying, and it simply will not work.”
A.W. Tozer

“When is a revival needed? When carelessness and unconcern keep the people asleep.”
Billy Sunday

THE LAST DAYS

The Bible teaches us about the crowns of the Kingdom and God’s plan to bring believers into seats of authority and a place of rulership in His eternal Kingdom.

Yet, many do not realize that as sons of God, we are here at the University of the Earth, to be trained and equipped to operate in the Kingdom of God, reign with Christ, and rule like God, so that we may qualify to receive our crown.

It is an open secret that many ignore reading the Book of Revelation for various reasons, chief among them is the fact that just a few understand the coded message.

Those who understand only part of the message may be scared of the last days but, Pastor E. A. Adeboye has taken pains to understand the book of Revelation and expounds it here, in some parts, verse-by-verse to ensure that the Christian believer is fully equipped with the understanding of the last days. The Last Days will successfully fill a gap in the study of the Book of Revelation.
